

BIG MONEY OUT VA

“DEMOCRACY LOSES WHEN BIG MONEY WINS”

American Promise Amendment

Candidate & Elected Official Pledge

I support getting big money out of politics by amending the United States Constitution to guard against corruption and protect liberty, federalism, and the equal rights of free speech by limiting the undue influence of money in elections and government. I additionally support comprehensive campaign finance reform in Virginia.

I pledge to use my office to advance a Constitutional Amendment addressing the above issues through passage and ratification in effective ways, such as sponsoring or cosponsoring bills, resolutions, or other legislation advancing the proposal or ratification of this Amendment. I additionally support campaign finance reform and agree to vote in favor of any common-sense bills which fairly and equitably limit campaign donations, enhance disclosure, and improve oversight. I agree to support these bills/resolutions in committee, subcommittee, or on the floor; and to publicly advocate for the necessity of campaign finance reform and this Constitutional Amendment.
